Bath & hair care manufacturing

Tear-free baby shampoo & wash, *under your brand.*

At our Pondicherry liquids campus — one of the largest cosmetics plants in the region, with eight manufacturing lines — we formulate, fill and pack baby shampoos, head-to-toe washes, body washes, bubble baths and hair oils for private label brands.

What we make

Baby Shampoo
Gentle cleansing for a delicate scalp, with tear-free formulation options.

100 ml · 200 ml · 500 ml

Head-to-Toe Wash
One bottle for hair and body — the bath-time essential parents re-buy.

Pump · Flip-cap

Baby Body Wash
Soap-free, mild, pH-balanced cleansing for daily baths.

Clear gel · Creamy

Bubble Bath
Mild, playful foam that rinses clean.

Lightly scented · Unscented

2-in-1 Shampoo & Conditioner
Tangle-free hair for toddlers in one step.

200 ml · 400 ml

Baby Hair Oil
Light, non-sticky oils for baby hair and scalp.

Coconut · Almond · Custom blend

Pack formats for bath & hair

Pump bottle
The bath-time favourite for shampoos and washes — one-handed dispensing for parents.

Flip-cap bottle
Everyday format for shampoos and washes at accessible price points.

Refill pouch
Lower plastic and lower cost — great for repeat buyers and subscriptions.

Travel sizes
Small bottles for trial packs, gift sets and hospital kits.

Formula starting points

Tear-free mild shampoo
A gentle surfactant blend designed for tear-free positioning.

Head-to-toe 2-in-1
One mild cleanser for hair and body.

Soap-free body wash
Clear or creamy, pH-balanced daily wash.

Gentle bubble bath
Generous foam from mild surfactants.

Light hair oil
Fast-absorbing oil blends for baby hair.

Your formula
Manufactured to your specification under NDA.

Customisation

Formula
Start from our mild bases or bring your own formula under NDA.

Fragrance & feel
Choose fragrance strength, foam profile, viscosity and after-feel.

Free-from profile
Decide what to leave out to match your brand promise.

Claims
Tear-free, sulphate-free and similar claims planned with the testing needed to support them.

Packaging
Standard bottles and closures, or work with components you supply after line trials.

Range building
Launch shampoo, wash, lotion and wipes together — one manufacturer, one timeline.
