Pack formats for skin care

Flip-cap lotion bottle
Everyday lotion format — easy one-handed use.

Pump bottle
Family-size lotions and oils with clean dispensing.

Tube
Hygienic format for creams and rash creams.

Jar
Rich creams, balms and winter creams.

Formula starting points

Daily light lotion
Quick-absorbing oil-in-water lotion.

Rich nourishing cream
Thicker cream for dry skin and dry seasons.

Barrier rash cream
Zinc-oxide based barrier cream for the diaper area.

Massage oil blend
Smooth-glide carrier oil blend, light or unscented.

Winter cream
Richer emulsion with butters for cold weather.

Your formula
Manufactured to your specification under NDA.

Customisation

Texture & after-feel
Light and quick-absorbing, or rich and cushiony — tuned to your positioning.

Oils & actives
Choose carrier oils, butters and botanical extracts.

Free-from profile
Decide what to leave out — and plan the testing behind each claim.

Fragrance
Fragrance-free, light baby scents or your own fragrance.

Packaging
Tubes, jars, pumps or flip-caps, matched across your range.

Gift sets & combos
Lotion, oil and wash bundles for gifting and marketplaces.
